SUBJECT: Traffic Signal Standards and Criteria for Traffic Signal Supports

TO: District Executives

FROM: R. Scott Christie, P.E. /s/
Deputy Secretary for Highway Administration

This Strike-Off Letter (SOL) will extend SOL #420-11-02 and continue allowing District discretion in using the new or previous traffic signal structural standards. This extension applies to projects to be advertised prior to September 15, 2011, already advertised, in the award process, or in construction. The reevaluation and pending revisions to TC-8801 are to be issued by August 31, 2011.

If there are any questions, please contact Daniel P. Farley, Manager, Traffic Signal and Operational Analysis Unit at (717) 783-0333.
